Bundle.v5.2 H2O.rar Pharmacokinetic profile and imaging characteristics of radiolabeled nanosized poly(lactic acid) particles labeled with iodine-123. Nanosized poly(lactic acid) (PLA) particles were labeled with iodine-123 in order to achieve better images in gamma scintigraphy. Iodine-123 has a 7.4 d half-life, which is sufficient to allow imaging and analysis of biodistribution of radiolabeled nanoparticles. The radiolabeling was done using chloramine-T as oxidizer and stannous ions. The radiolabeled nanoparticles were about 100 nm in size, as determined by atomic force microscopy. The biodistribution of the nanoparticles was assessed with SPECT images in immunocompetent BALB/c mice, using whole-body images and organ images, after injection of either radioiodinated nanoparticles or radioiodinated nanoparticles and colloidal gold. The nanoparticles appeared to accumulate preferentially in the organs of the mononuclear phagocyte system, such as the liver, lung, and spleen, rather than in the kidneys. The colloidal gold showed little uptake in all the organs of the mononuclear phagocyte system. In conclusion, this study suggested that the nanoparticles could be used for biodistribution analysis as well as tumor imaging.

Q: AngularJS one way binding not working on select i have the following code : `{{ 'NO_COURSE_TYPE_SELECTED' | translate }}` `{{ courseType.course_type }}` What i am trying to do is : if i select a course type from the select, then i want the corresponding code to be selected by default in the input. Now i am getting a blank object. When i change this to two way binding, it works and gets populated. What am i doing wrong? A: It depends on what you expect to happen. If you want to have the ng-model of the select equal the value of

Search Results.The Australian Broadcasting Corporation is suing over the dismissal of the broadcaster's female reporter who broke the story of former Prime Minister Tony Abbott's taxpayer-funded rort. The defamation case against journalist Louise McDonald by the ABC has been launched after she reported how Abbott used taxpayer-funded security to travel by private jet to visit the Northern Territory. The broadcaster has accused McDonald of misleading the Australian public by reporting that the former prime minister flew on taxpayer-funded Air Marshal services when he was accompanied by army personnel on the taxpayer-paid trip.
